B. AGENDA ITEMS:

1. Review and Consideration of DCFPC Legislative Priorities Recommendations.

The Douglas County Food Policy Council (DCFPC) has developed a set of proposed Legislative Priorities for the County Government's consideration. These recommendations, drafted by county staff in collaboration with DCFPC members, partner liaisons, and the Kansas Food Action Network, aim to address critical food system issues, including food access, sustainability, and agricultural development within Douglas County and across the state.

The Board is requested to review the DCFPC Legislative Priorities recommendations and provide direction on whether to adopt, modify, or further refine these recommendations as part of Douglas County's legislative agenda.

ACTION: Consider approval the DCFPC 2025 Legislative Priorities Recommendations.

2. Consideration and Approval of Updated Douglas County Food Policy Council (DCFPC) Bylaws

The Douglas County Food Policy Council has completed a review and update of its bylaws to reflect current practices, organizational needs, and alignment with county goals. The proposed revisions have been developed with input from DCFPC members and county staff to ensure clarity, governance efficiency, and compliance with relevant regulations.

ACTION: Consider approval of the updated DCFPC bylaws.
