

I, \_\_\_\_\_ (Tenant), understand that I am receiving \$\_\_\_\_\_ in emergency assistance funds from the Housing Stabilization Collaborative (HSC) because my landlord will not accept funds directly from the HSC. I understand that the funds are intended to be used for rent, utility costs (including electricity, gas, water and sewer, and trash removal), and other expenses related to housing. Other expenses related to housing include relocation expenses, which may include rental security deposits, fees including application fees, or internet service.

I understand that if I do not use the funds to pay my rent and associated expenses, said rent and associated expenses may appear as a debt on my credit report or other consumer report which may negatively impact my ability to secure future housing.

I understand that if my lease is verbal, expired, and/or month-to-month, I may not be protected from eviction even if I pay my landlord part or all of the balance owed.

I understand that this funding will be treated as miscellaneous income, and I will receive a 1099-MISC form from Douglas County at the end of the year accounting for the payment.
