Also, the Court exercised due diligence in attempting to associate old case exhibits from Division 1 and Division 3 with particular cases in 1984 and with a particular case in 1991, and also Exhibits from a 1969 case. Having done so, the Court determined those exhibits could not be identified with a specific case, and due to the apparent age of the case and nature of the exhibits, the decision was made to destroy or otherwise dispose of those exhibits.
