

PUBLIC MEETING NOTICE!

*Discovering and Celebrating our
Douglas County Heritage!*

Historic Building Survey Report

(Marion Twp. North and Western Section of Willow Spring Twp.)
Saturday, November 3, 2018 at 2:30 p.m.
Lone Star Lake Community Building
665 East 665 Road, Lawrence, KS 66047

In 2012, the Douglas County Heritage Conservation Council began a countywide survey of natural, cultural and historic sites and structures and is gradually working to complete surveys. In 2018, historic preservation consultants conducted a Reconnaissance Survey (initial survey) of the north portion of Marion Township and a western section of Willow Springs Township. This work has been conducted under the supervision of the Douglas County

Heritage Conservation Council. Surveyors focused on locating properties/buildings/structures that are at least 50 years old and that are architecturally and historically significant. They have also documented natural resources that have influenced cultural development in Douglas County. Property owners and members of the general public are invited to attend this public meeting to hear more about the

survey results and learn what factors make a building, farmstead, or site eligible for the National Register of Historic Places. Benefits of designation will also be discussed. Consultant Stan Hernly will present the survey findings.

For more information about the survey, contact Jan Shupert-Arick, Douglas County Heritage Coordinator, at 785-330-2878, or jshupertarick@douglascountyks.org
