

BOARD OF COUNTY COMMISSIONERS OF DOUGLAS COUNTY, KANSAS

ADDRESSING THE COMMISSION: Public comment will be taken for each regular agenda item as each item is discussed. Individuals will be limited to one comment per agenda item.

Individuals are asked to come to the microphone, sign in, and state their name. We ask that you sign in so that we can get the spelling of your name correct in the minutes of the meeting. Speakers should address all comments/question

WEDNESDAY, JUNE 26, 2019

2020 BUDGET HEARINGS

- 8:30 a.m. BHLC (Bert Nash, DCCCA, LMH, Housing Authority, Heartland Health, Heartland RADAC, Health Department)
- 9:30 a.m. Aging Services (JAAA, Senior Resource Center, Trinity In-Home Services, VNA)
- 10:15 a.m. Land and Animal Services (Extension Office, Conservation District, Humane Society)
- 11:00 a.m. Safety Net (Douglas County Dental Clinic, Emergency Services Council, Sexual Trauma and Abuse Care Center, Just Food, Lawrence Community Shelter, Cottonwood, Independence, Inc.)

5:30 p.m. BUSINESS MEETING

CONSENT AGENDA

- (1) (a) Consider approval of Commission Orders;
- (b) Consider establishing a 30-mph speed limit on a portion of Route 6 near Clinton Town (Keith Browning)
- (c) Consider rejection of bids for Project No. 2019-20, N 1200 Road/Route 1061 intersection improvements. (Keith Browning)
- (d) Consider approval of the minutes for June 12, 2019; and
- (e) Accounts payable.

REGULAR AGENDA

- (2) Consider approval for an amended Community Partner Agreement for FY 2019 with Heartland RADAC to provide Intensive Care Coordination (ICC) services to the Douglas County Integrated Crisis Team (ICT) with a cost not-to-exceed \$240,000. (Bob Tryanski)
- (3) General Public Comment
General Public Comment will be at the end of each meeting with a limit of one comment per person and keep their comments brief. Individuals may not give unused time to other speakers. As a general practice, the Commission will not discuss/debate these items, nor will the Commission make decisions on items presented during this time, rather they will refer the items to staff for follow up, if necessary.
- (4) Committee Reports
- (5) Commissioner and/or Administrator Miscellaneous
- (6) Adjourn

THURSDAY JUNE 27, 2019

2020 BUDGET HEARINGS

- 9:00 a.m. Land Record and Taxation (County Clerk, County Treasurer, Register of Deeds, Appraiser and IT)
9:30 a.m. Internal Services (Administration, Sustainability, Maintenance, IT)
10:15 a.m. Historical Services (Heritage Conservation Council, Freedom's Frontier National Heritage Area, Black Jack Battlefield Trust, Clinton lake Historical Society, Douglas County Historical Society, Eudora Area Historical Society, Lecompton Historical Society, Santa Fe Trail Historical Society)
11:00 a.m. Rapid Intervention Team (RIT)/Eudora EMS

MONDAY, JULY 1, 2019

- 8:30 a.m. District Attorney
TBD: Decisions on changes to the recommended budget.

TUESDAY, JULY 2, 2019

- TBD: Decisions on changes to the recommended budget.

WEDNESDAY, JULY 3, 2019 – Cancelled

MEMORANDUM

To : Board of County Commissioners

From : Keith A. Browning, P.E., Director of Public Works/County Engineer *KB*

Date : June 20, 2019

Re : Consent Agenda approval of resolution establishing 30-mph speed limit
Route 6 east of Clinton town

It is desired to extend the existing 30-mph speed limit on Route 6 (N 1190 Road) in the town of Clinton east from its current eastern terminal at the E 612 Road intersection to Clinton Lake Park. The current 30-mph speed limit west of the E 612 Road intersection was established in 1981. Also in 1981, a 40-mph speed limit was established on N 1190 Road from E 612 Road east to the Clinton Lake Park boundary. There are several residences now situated along N 1190 Road east of the E 612 Road intersection.

The Clinton Lake Park boundary is approximately 3,089 feet east of the E 612 Road intersection. Within the park, roads are posted for a 20-mph speed limit. Given the relatively short distance between the east end of the existing 30-mph speed limit at E 612 Road to the park boundary, and in the interest of consistency, we recommend extending the 30-mph speed zone from E 612 Road to the park boundary.

Action Required: Consent Agenda approval of a resolution establishing a 30-mph speed limit on Route 6 (N 1190 Road) from its intersection with E 612 Road to the Clinton Lake Park boundary.

RESOLUTION NO. _____

A RESOLUTION ESTABLISHING A 30 MILES PER HOUR
MAXIMUM SPEED LIMIT ON A PORTION OF ROUTE 6 (N 1190
ROAD)

WHEREAS, pursuant to K.S.A. 8-1560, local authorities may determine and declare a reasonable and safe maximum speed limit for roads under their jurisdiction; and

WHEREAS, on the basis of an engineering and traffic investigation performed by the Douglas County Public Works Department the maximum speed limit for the following described county road or highway, to-wit:

a portion of Route 6 (N 1190 Road), beginning at the intersection of Route 6 (N 1190 Road) with E 612 Road, thence east along the centerline of N 1190 Road a distance of approximately 3,089 feet to the Clinton Lake Park property line, and terminating at said point;

as set by K.S.A. 8-1336, is greater than is reasonable or safe under the conditions found to exist on the above described road under the jurisdiction of this Board.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF DOUGLAS COUNTY, KANSAS that a speed limit of 30 miles per hour is hereby determined and declared to be a reasonable and safe speed limit for the above described road.

Resolution No. 81-39 establishing a 40-mph speed limit for the above described portion of Route 6 (N 1190 Road) is hereby rescinded.

This speed limit shall become effective when appropriate signs giving notice thereof are erected upon the road above described.

ADOPTED this _____ day of _____, 2019.

MEMORANDUM

To : Board of County Commissioners

From : Keith A. Browning, P.E., Director of Public Works/County Engineer *KAB*

Date : June 19, 2019

Re : Consent Agenda rejection of bids for Project No. 2019-20
N 1200 Road/Route 1061 intersection improvements

We opened bids on June 14 for a project to construct intersection improvements at the N 1200 Road/Route 1061 intersection. Only one bid was received:

Bidder	Total Bid
Hamm, Inc.	\$148,242.78
Engineer's Estimate	\$119,078.00

In accordance with K.S.A. 68-521, a contract cannot be let since the lone bid amount exceeds 110% of the Engineer's Estimate.

We plan to re-advertise and reopen bids in mid-July. We will provide more flexibility in the construction start dates, which we feel will attract better bids. We still plan to construct this project this calendar year.

Action Required: Reject the one bid received on June 14, 2019 for construction of Project No. 2019-20, improvements to the N 1200 Road/Route 1061 intersection, and authorize Public Works Director to re-bid the project.

Sarah Plinsky
Interim County Administrator

MEMO TO: Board of County Commissioners

FROM: Bob Tryanski, Director of Behavioral Health Projects

SUBJECT: Approval of Intensive Care Coordination Services contract

DATE: June 26, 2019

Attached for your consideration and approval is an amended FY 2019 Community Partner Agreement to expand Intensive Care Coordination Services provided by Heartland RADAC as part of the Douglas County Integrated Crisis Team. The annual cost to provide the proposed expansion of services in 2019 will increase from \$180,000 to a revised cost not to exceed \$240,000

The Integrated Crisis Team is one of the new Behavioral Health initiatives supported in the county's 2018 budget. This multi-agency team, interdisciplinary team provides care for individuals experiencing a behavioral health crisis who present at the LMH emergency department. Intensive Care Coordination (ICC) is designed to coordinate services for clients identified through the ICT in Douglas County, Kansas. ICC clients typically present in hospital emergency rooms or have contact with law enforcement due to active mental health and/or substance abuse crisis. In response, ICC works to *link* and engage clients with needed community resources such as mental health services, substance abuse treatment, primary physical health care, housing and/or longer-term case management services to enhance stability and reduce the use of costly community resources. Client *linkage* in the context of these services involves a robust process that surpasses the identification and referral to a community program or resource; *linkage* builds on the relationships within the ICT partners, and trouble shoots both personal and systemic barriers that have prevented clients from regular engagement in the past.

As detailed in the attached service overview report for April, the ICC project has experienced explosive growth since coming online in February of 2018. This amended agreement would expand the ICC service to be available seven days per week and focus additional resources to serve the needs of clients at the Lawrence Community Shelter who are high utilizers of behavioral health services and resources. The expanded ICC service will also provide support and continuity of care for Douglas County residents who access crisis stabilization services at the RSI Crisis Center in Wyandotte County as an interim

This request is supported by partial year funding of \$60,000 identified as available in the 2019 Behavioral Health sales tax budget to support the addition this year. These services will continue into FY 2020 utilizing funding approved in the Behavioral Health Projects budget and Behavioral Health Sales Tax fund at an annual cost not to exceed \$340,000.

The following motion is recommended to approve these items: ***“Approve an amended Community Partner Agreement for FY 2019 with Heartland RADAC to provide Intensive Care Coordination (ICC) services to the Douglas County Integrated Crisis Team (ICT) with a cost not to exceed \$240,000.”***

Douglas County, Kansas
Community Partner Funding Agreement
2019 Budget Year

This Agreement is made and entered into this ____ day of _____, 2019, by and between Douglas County a political subdivision of the State of Kansas, by its County Administrator, hereinafter referred to as the “County”, and **Heartland Regional Alcohol and Drug Assessment Center** hereinafter referred to as the “Agency”.

Recitals

The Agency is a nonprofit corporation authorized to provide services in the State of Kansas.

The Agency provides services integral to the health, economic, or social needs of citizens of the County.

The Agency relies heavily on County funds to provide such services within the County and, as a result, has requested funding from the County to achieve its mission.

The County has agreed to provide funding to the Agency under the terms and conditions of this Agreement.

Agreement

I. Use of County Funds. As a condition of the receipt of County funds, the Agency hereby agrees to use and expend all such funds pursuant to the following:

A. All applicable federal, state, and local laws;

B. The Agency’s submitted Budget Request Form, hereinafter referred to as the “Budget Request” and attached hereto as Appendix A, which states the funds will be used to achieve the outcomes enumerated within said Budget Request for the purpose of helping to meet the health, economic, or social needs of County citizens; and

C. Addendum A, enumerating the specific purposes for which County funds were finally and specifically allocated during the budget approval process.

II. Term. The term of this Agreement commences January 1, 2019 and terminates December 31, 2019.

III. Funding. The County will provide the Agency with the funding set forth in Addendum B. At the termination of this Agreement, the Agency shall return to the County any unexpended funds.

IV. Independence from Other Departments and Agencies. This Agreement is distinct and separate from any other Agreement entered into by and between the Agency and any other County department or County-funded agency.

V. Independent Contractor. The Agency agrees that it is an independent contractor of the County and that the employees, agents, and vendors of the Agency are not employees of the County.

VI. Disbursement of Funds. Funds will be disbursed pursuant to the following:

- A.** The first half of the allocated funds will be disbursed on the third Tuesday of February and the second half of the funds will be disbursed on the third Tuesday of July.
- B.** The County retains the right to withhold the second disbursement of funds for failure to demonstrate sufficient progress toward outcomes enumerated in the Agency's submitted Budget Request if such progress is requested by the County to be reported.
- C.** The County retains the right to unilaterally adjust the amount of any disbursement if the County Commission determines that insufficient public funds exist to fully fund the Agency at the level awarded at the time the County budget is submitted.

VII. Kansas Act Against Discrimination. In carrying out this Agreement, the Agency shall deny none of the benefits or services of the program to any eligible participant pursuant to K.S.A. 44-1001 *et seq.*

- A.** The Agency shall observe the provisions of the Kansas act against discrimination and shall not discriminate against any person in the performance of work under this Agreement because of race, religion, color, sex, disability, national origin, or ancestry.
- B.** In all solicitations or advertisements for employees, the Agency shall include the phrase "equal opportunity employer" or a similar phrase to be approved by the Kansas Human Rights Commission.
- C.** If the Agency fails to comply with the provisions of K.S.A. 44-1031, requiring reports to be submitted to the Kansas Human Rights Commission when requested by that Commission, the Agency shall be deemed to have breached this Agreement and it may be canceled, terminated or suspended, in whole or in part, by the County.
- D.** If the Agency is found guilty of a violation of the Kansas act against discrimination under a decision or order of the Kansas Human Rights Commission which has become final, the Agency shall be deemed to have breached this Agreement and it may be canceled, terminated or suspended, in whole or in part by the County.
- E.** The Agency shall include the provisions of A through D inclusively of this section in every subcontract or purchase order so that such provisions will be binding upon such subcontractor or vendor.

F. The provisions of this section shall not apply to a contract entered into by a contractor who: 1) employs fewer than four (4) employees during the term of this contract; or 2) whose contracts with the County cumulatively total \$5,000.00 or less during the fiscal year of the County pursuant to K.S.A. 44-1031(c).

VIII. Reporting Requirements. The Agency agrees to comply with K.S.A. 45-240, which requires not-for-profit entities receiving public funds to document and make available the receipt and expenditures of such funds.

IX. Access to Financial Records. The Agency shall provide the County reasonable access to financial records concerning the expenditures of County funds. The Agency shall retain these records for a minimum of three (3) years after the termination of this Agreement.

A. At the discretion of the County Administrator, the Agency will give any authorized representatives of the County access to and the right to examine all records related to the expenditure of County funds.

B. The County may, at its sole option, grant audit access to appropriate County officials related to this funding agreement. The Agency shall, upon the County's request, make its records, employees, and property available promptly.

X. Withholding of Payment. The County shall retain the authority to withhold any and all payments to the Agency if, in the sole judgment of the County, the proposed or continued use of the funds violates the terms of this Agreement, any applicable law, or is contrary to the appropriate use of public funds.

Execution

The parties have executed this Agreement on the dates set forth below.

2019 Budget Year**

Heartland Regional Alcohol & Drug Assessment Center

Intensive Care Coordination (ICC)

I. INTRODUCTION AND SUMMARY:

Intensive Care Coordination (ICC) services will provide care coordination services and bridge case management services to individuals with substance use and/or mental illness disorders who are residents of Douglas County and present to the Lawrence Memorial Hospital emergency department, or Lawrence Community Shelter. Typically, this population may not be engaged in services because they have often "burned bridges" with community providers and lack the ability to access needed services without assistance and/or intervention. These individuals often do not have access to health insurance or Medicaid. The goal of both services is to get clients engaged in the appropriate services to build stability in the community and prevent psychiatric and substance use crisis that lead to emergency department, psychiatric and jail admissions.

II. OUTCOME/GOAL(S):

The key to the success of this program is connecting ICC clients with needed services within the community and continued care coordination to address system barriers that present for this population. The key collaborative components of service include: securing safe sober housing, accessing mental health services including medication management and case management, accessing substance use services such as formalized treatment programs, addressing physical health issues that are a result of chronic use, such as high blood pressure, diabetes and traumatic brain injury, etc.; seeking earned income and avoiding law enforcement as a result of their disability. The ultimate goal of the Heartland RADAC's ICC program is to reduce the use of inappropriate and costly services that are associated with this client population, while improving their quality of life.

III. SERVICES TO BE PROVIDED:

- A. Intensive Care Coordinators (ICCs): The ICCs serve as a central point of contact and work to facilitate effective communication with the multiple stakeholders often involved with this population (Psychiatrists, CMHCs, Department for Children and Families (DCF) workers, Probation/Parole Officers, Disability Determination Services, local health departments, etc.).
- B. Additional services for ICC clients who are without resources are provided and/or purchased through partnerships with community agencies to coordinate physical health, safety, housing, employment, legal, and financial issues. Heartland RADAC purchases services from local providers that specialize in dual diagnosis and chronic substance use. All services purchased are tracked, monitored and provided only when there are no other available resources in the community.

C. Reporting as requested on program outcomes. Traditionally this has included (this may be changed per the needs in Douglas County):

1. the total number of clients served;
2. total/percentage of ICC clients who obtained or maintained permanent housing;
3. total/percentage of ICC clients who obtained or maintained transitional housing;
4. total/percentage of ICC clients who were engaged in ROSC services;
5. total/percentage of ICC clients who were engaged in mental health services;
6. total/percentage of ICC clients who were engaged in substance use treatment;
7. total of ICC clients who were assisted to secure primary medical care and the number of people who attained primary medical care (baseline);
8. total number of people had an interest in seeking earned income and the number of people who attained earned income (baseline);
9. total/percentage of ICC clients who are accessing a reduced level of ICC services based on need and status: Gradual Disengagement.

**Addendum B to
Douglas County, Kansas
County Partner Funding Agreement
2019 Budget Year**

This Addendum serves to reflect any specific purposes toward which County funds were conditionally allocated during the 2019 budget review process.

Specified Purpose

Existing	Funds Requested	Funds Approved
Funds will be used to provide Intensive Care Coordination (ICC) services, including care coordination services and bridge case management services to individuals with substance use and/or mental illness disorders who are residents of Douglas County and present at the Lawrence Memorial Hospital emergency department or residents at the Lawrence Community Shelter.	\$180,000	\$180,000

New/Supplemental Funding

Expanded ICC services, care coordination and bridge case management services to serve community partners.	\$60,000	\$60,000

Heartland RADAC
Intensive Care Coordination (ICC) Douglas County
April 2019 Report

Intensive Care Coordination (ICC) is designed to coordinate services for clients identified through the Integrated Crisis Team (ICT) in Douglas County, Kansas. ICT clients typically present in hospital emergency rooms or have contact with law enforcement due to active mental health and/or substance abuse crisis. In response, ICC works to *link* and engage clients with needed community resources such as mental health services, substance abuse treatment, and primary physical health care, housing and/or longer-term case management services to enhance stability and reduce the use of costly community resources. Client *linkage* in the context of these services involves a robust process that surpasses the identification and referral to a community program or resource; *linkage* builds on the relationships within the ICT partners, and trouble shoots both personal and systemic barriers that have prevented clients from regular engagement in the past.

Referrals to ICC

There is no-wrong door to accessing ICC services; clients are referred typically from one or more of the partners in the Integrated Crisis Team (ICT). Since April 1, 2018, there have been 763 individuals referred to ICC services in Douglas County. Of those, 47 individuals were referred during the month of April 2019.

Referral Source for ICC Services

Beginning this month, Heartland RADAC has changed the reporting Year to reflect the calendar year to better align with contract cycles and LMH's annual reporting cycles. A Program-Year To Date (YTD) has also been added to reflect total numbers since the program began.

	Jan-March 2019		April-June 2019		July-September 2019		October-Dec 2019		2019 YTD Total		Program To Date Total
