RE: Application for position on the
Douglas County Fair Board

Dear Board of County Commissioners of Douglas County, KS:

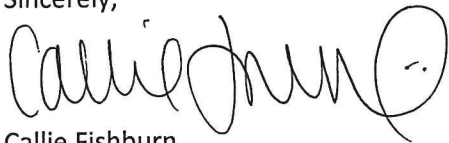

I write to express interest in joining the Douglas County Fair Board, where I can use my skills to help Douglas County manage and control the business of the fair association.

I have served on several committees in my professional career in criminal justice over the last 10 years and am looking forward to giving back to the community through the Douglas County Fair Board. My experiences serving on committees in my professional career have helped shaped myself into becoming a more effective leader to inspire others to act and to help them figure out their 'why' in their life.

My 'why' for expressing interest in joining the Douglas County Fair Board, is growing up, I was actively involved in 4-H and admired the work the Fair Board did not only for the 4-Her's of Douglas County but for all fair attendees to feel welcomed. As an attendee of many county fairs throughout the state of Kansas, I want to bring my learned experiences to continue to provide a safe, inviting, and family friendly community event for all the community members and those visiting our county.

I would like the opportunity to serve the Board of Commissioners and its constituents as a member of the Douglas County Fair Board.

Sincerely,
